

# Explore VISION Vocation Guide

The VISION Vocation Guide and the VISION Vocation Network are great resources for figuring out your direction in life, or where God might be calling you, what is often called “vocation discernment.”

The annual VISION Vocation Guide and its website (VocationNetwork.org), updated continually throughout the year, offer lots of information on what it means to be Catholic and the many choices Catholics have to live out their faith.

VISION is an essential tool for anyone interested in learning about specific religious vocations or religious orders, or to find upcoming events for prayer, reflection, and service.
